

MINUTES OF THE DISTRICT DEVELOPMENT COMMITTEE (DDC) MEETING
HELD ON 09/01/2023 AT THE CONFERENCE HALL OF DEPUTY
COMMISSIONER'S OFFICE TINSUKIA

Members present- Enclosed at Annexure-1

The DDC meeting was presided over by Shri Narsing Pawar, IAS, Deputy Commissioner, Tinsukia. At the very outset of the meeting the Chairman & Deputy Commissioner welcomed all the Departmental Heads of the district.

General instructions:-

1. All the HODs are directed to accomplish the action points & monitorable targets of their respective departments within this month.
2. All the HODs are directed to dispose all the pending issues in cpgrams if any.
3. All the HODs are directed to submit the reports on time to update in CM-Dashboard.
4. All the HODs, Circle Officers & BDOs are directed to gear up for implementation of e-Office in their respective offices.

The department wise discussions were as follows-

- 1. P & RD :** The Chair instructed the CEO, Zilla Parishad to complete the ongoing works of 1803 PMAY(G) houses at the earliest. The Chair then enquired about the landless beneficiaries of PMAY(G) in tea garden areas of the district. In this regard, the CEO, Zilla Parishad apprised the Chair that issue of landless beneficiaries of PMAY(G) tea garden areas have been resolved. In regard to the issue of landless beneficiaries of non tea garden areas, the Chair directed the CEO, Zilla Parishad to convene a meeting with the Circle Officers and BDOs to resolve the issue. In regards to the performance of PMAY(G), the Chair directed the BDOs of Margherita Dev Block and Kakopathar Dev Block to pay special attention on the works of PMAY(G) in their respective blocks. Under MGNREGA, the DC directed all the BDOs to identify plot in their respective blocks for Agar and Chandan plantation as per the guidelines provided. Moreover regarding the pending material bills of MGNREGA, the CEO, Zilla Parishad informed the Chair that bills for FY 2019-20 have been submitted. The Chair instructed the CEO and BDOs to ensure atleast 50 days mandays creation for all the job card holders of the district within 2 months. Again, the Chair directed all the BDOs to create mandays under MGNREGA by developing approach roads to the Model AWCs which falls in tea garden areas. Regarding the handing over of works under JJM to P&RD, the DC directed the CEO to conduct a separate meeting.
- 2. Agriculture:** The Chair enquired about the status of PM-KISAN in the district from the DAO. The DAO apprised the house that due to e-KYC related issue many eligible beneficiaries have not been able to get the benefit under PM-KISAN. In this regard, the Chair directed the DAO to resolve the e-KYC related issues of all the eligible beneficiaries of PM-KISAN at the earliest. The Chair also directed the DAO to fulfill the 3000 registration target for Paddy procurement in the district in order to achieve the target of 9000 MT Paddy procurement in the district during this season. On query regarding the status of FPO formation in the district by the Chair, the DAO apprised the house that only two FPOs have been formed till date. In this regard, the Chair directed the DAO to achieve the target of 15 numbers of FPO formation set for the district at the earliest. The ADC(i/c) Sadiya raised an issue of inclusion of about 2500 ineligible beneficiaries under PM-KISAN. In this the Chair apprised that a DLC will be convened immediately to delete the names of ineligible beneficiaries of PM-

[Handwritten Signature]

KISAN The Chair also directed the DAO to emphasize on One District, one Product scheme

3. **Food, Civil Supplies & CA:** The Deputy Director Food, Civil Supplies & CA appraised the house that all the ineligible Ration Card holders have been wiped out. The Deputy Commissioner & Chair informed the house that 40 lakh new beneficiaries will be included under the NFSA-2013 in the entire state. In this regard the Chair stated that a separate meeting will be convened for beneficiary selection committee, verification committee, scrutiny committee etc. Regarding paddy procurement, the DDS appraised that the PPC at MAKUM and Sadiya have been started. The DDS also raised the problem of procurement from Amarapur GP due to poor communication.
4. **PHE:** The Chair directed the Ex. Engineer of PHE to complete the target of FHTC within this month. Regarding the progress of SBM phase-II, the Ex. Engineer informed the house that percentage of work progress under SBM phase-II in the district is 48%. In this regard, the Chair directed the Ex. Engineer to achieve the target of SBM at the earliest. The Chair opined that in respect to ODF+ no work progress has been made till date in the district. The Ex. Engineer apprised the house that two numbers of NABL accreditation have been received by the district and one is yet to be received. The Chair also enquired about the progress of FHTC work in the plastic park. The Ex. Engineer apprised that works are ongoing in the plastic park.
5. **DICC:** Regarding the status of PMEGP in the district, the GM, DICC apprised the house that a total of 82 targets have been sanctioned till the month of December, 2022 against the total target of 122 for the FY 2022-23, of which 14 sanctioned have been done in the month December itself. The Chair then enquired about the status of PMFME in the district. The GM, DICC apprised the Chair that during the month of December, 2022 three credit linked subsidy have been sanctioned under PMFME in the district. In regards to these schemes, the GM also highlight the lack of awareness at the grassroot. In this regard, the Chair directed the CEO, Zilla Parishad to conduct a meeting by involving the Circle Officers, BDOs, DPM(ASRLM) and GM, DICC. The Chair also directed the GM to approach the SHGs and aware them about these schemes. Regarding involvement of SHGs, the GM, DICC informed about the reluctance of SHGs as they have availed loans under different schemes. The Chair also instructed the GM, DICC to identify all such lands in the district, which are not suitable for agricultural activities. Emphasis was also given on creating awareness for promotion and development of start ups and entrepreneurship in the district.
6. **Education:** The Chair instructed the representatives of IS and DEEO to work on the 18 number of action points and also on the monitorable targets of the dept. The Chair also directed them to focus on developing playgrounds and kitchen gardens in all the schools, where no such facility is available. Instruction was also given regarding preparation for Gunutsav 2023 which is scheduled to be held in the month of February.
7. **Health:** The Chair directed the Joint director of Health to achieve the target of 100% institutional delivery in the district. The Chair also instructed the Joint director to pay special attention to high risk pregnancy cases in order to reduce MMR and IMR. Instruction was also given to discourage home delivery. The Chair also emphasized on the importance of family planning. In order to reduce child marriage in remote areas and tea garden areas of the district, the Chair instructed the Social Welfare dept, Education dept and Labour dept to create awareness programmes. Regarding organization of health camps in the district, the Joint director of health informed the Chair that under Swasthaya Sewa Abhiyan three health camps are organized in every month in the district. The Chair then instructed the Joint director of health to make all the completed the Health & Wellness centers in the district functional at the earliest. The Chair also

- stressed on vaccination of precautionary doses of Covid-19. The ADC(i/c), Sadiya informed the house that the X-ray and ECG machines at Sadiya Civil hospital are not functional for several months. Ultrasound facility is also not available in the Sadiya Civil Hospital. Regarding the poor infrastructure and medical equipments at Sadiya Civil Hospital, the Chair directed the ADC(i/c) Sadiya to form a committee including technical experts for inspecting the hospital and submit a detailed report to him.
8. **APDCL:** On query regarding the electricity connection work in Margherita and Digboi area by the Chair, the CEO, APDCL apprised the house that work have already been completed. The Chair also enquired about the work progress on the action point of the department. The CEO, APDCL in this regard apprised that the work on the action point i.e., replacement of all bulbs by LED bulb in the district has been achieved.
9. **Irrigation:** On query regarding the achievement of monitorable targets of the department, the Ex. Engineer, Irrigation(TSK/Digboi/Margherita) division apprised that the monitorable targets have been achieved by the department. Regarding PMKSY progress, the Ex. Engineer informed that all the ongoing work of PMKSY have been completed. Regarding SOPD works, the Ex. Engineer informed that 3 SOPD works are ongoing under his division. The Chair then enquired about any land related issues from the Ex. Engineers of both the division. The Ex. Engineers of both division apprised that there is no land related issues in their respective division. The Chair then directed the Ex. Engineers of TSK and Sadiya division to provide irrigation facilities in all the lands suitable for agriculture so that farmers can engage in multiple cropping.
10. **Veterinary:** On query regarding FMD vaccination in the district by the Chair, the DVO apprised the house that all the FMD vaccines received by the district till December have been fully utilized. The DVO in this regard also apprised that the district has again received new FMD vaccines in January, 2023. Regarding culling compensation, the DVO apprised the house that all the beneficiaries eligible for culling compensation have been compensated. The DVO also informed that out of 1500 target under KCC, 1136 number of applications have already been forwarded to banks. The Chair directed the DVO to emphasize on employment generating activities like development of piggery farms, processing units etc.
11. **Transport:** The Chair instructed the DTO to give more emphasis on implementation of Road Safety measures in the district in order to reduce the number of accidents and accident related casualties in the district. The Chair then enquired about number of the accident cases occurred in the first 8 days of 2023. The DTO informed the Chair that a total of 10 numbers of accidents have occurred in the district in the last 8 days, where 7 persons have lost their lives and 4 persons got injured. In this regard the Chair, directed the Ex. Engineers, PWD(R) to erect signboard and put speed breakers in all the vulnerable and accident prone areas of the district. The Circle Officer, Doomdooma informed the house that speed breakers are urgently needed in the highway passing near Doomdooma Don Bosco HS school and Doomdooma College. In this regard, the Chair directed all the circle Officers to identify such vulnerable pockets in the district.
12. **Social Welfare:** On query regarding the work progress of Model AWCs in the district, the DSWO apprised that construction work of all the Model AWCs in the district have already been completed. However due to poor work quality, 18 Model AWCs will be reconstructed. In this regard, the DSWO also apprised the house that 43 bills of have been received by the dept till date, against which payments for 19 bills have been made. The Chair directed the BDO, Margherita to submit all the pending bills of completed Model AWCs under her Block. The Chair also stressed upon rationalization of AWCs in the districts and directed the DSWO to work on it at the earliest. The DSWO also informed the Chair that

the district has again received a new target for construction of 105 Model AWCs in the district.

13. **PWD (Tinsukia/ Sadiya/ Doomdooma territorial road division):**The Chair enquired about the status of work at Sripuria from the Ex. Engineer. The Ex. Engineer apprised the house that due to court case the work at Sripuria was slowed, the work will be started soon once the court case is resolved. Regarding RIDF work under the division, the Ex. Engineer informed the Chair that one embankment project under RIDF at Dholla area of the district is going on, which will be completed within the year itself. The Ex. Engineer also apprised that the work at Phillobari under the department is going on.
14. **PWD (Digboi/ Margherita territorial road division) :** Regarding the progress of RIDF work, the Ex. Engineer apprised the house that two road cum embankment projects under RIDF are going on in his division. On query from the Chair regarding ASOM MALA, the Ex. Engineer informed the house that the compensation value of land acquisition is exceeding the tender value. In this regard the Chair suggested the Ex. Engineer to prepare a proposal on the exceeding amount and send it to the govt for approval in the SD budget.
15. **PWD (Chabua/ Duliajan & Naharkatia territorial road division):** Regarding PMGSY work, the Ex. Engineer apprised the Chair that the two projects under PMGSY are going on in the division. On query regarding the work of Rongagora road, the Ex. Engineer informed the house that works at the Rongagora road are going on.
16. **Excise :** The superintendent of Excise informed the house that the revenue collection of the district for the current FY stands at 59.46%. The Chair enquired about the steps being taken by the department against illicit liquor entering the district from neighbouring states. In this regard, the Superintendent of Excise apprised the Chair that round the clock patrolling was carried out during the month of December at Assam-Arunachal Border to curb the inflow of illicit liquor from Arunachal Pradesh. Regarding the query on the actions taken against Sulai in the district, the Superintendent of Excise informed the house that Excise raids were conducted on regular basis in the month of December at all the Circles under Tinsukia District to destroy illicit liquor or sulai.
17. **Fishery:** Regarding the progress of PMMSY, the DFDO informed the house that the works under PMMSY for the FY 2021-22 in the district are nearing completion. Only the work of construction of Medium Biofloc and Mini Feedmill under PMMSY are going on. The Chair instructed the DFDO to work on the action points, namely identification of Wetlands and Production of Fish Seed in the district. The DFDO officer informed the house that the survey of unregulated Beels in the district along with the state is going on.
